<p>It is always great to meet people in the community. Many ideas were shared. Thank you for providing this opportunity to share ideas.</p> <p>I thought the topics were very good</p> <p>I always like group (table) interaction; it is not just about <u>one</u> persons idea – but we gain greater knowledge from all (each other).</p> <p>Good interaction Good ideas Positive to have the school board and UPSD administrators there and participating.</p> <p>I think it would be a good idea that <u>each class</u> starting at the junior high, should appoint one child per class as a counselor, and that should be depending on that child's grade point, but because there are so few counselors, that would afford all the students the opportunity to be able to have someone to talk to, or to go to for guidance.</p> <p>Good community forum format – good way to get parent input.</p>	<p>Smaller attendance – maybe have this meeting on the same night as the CJH/HS PTA meeting portion – or advertise on the Reader Board.</p>
